

Do you have an old digital camera that you no longer use? Vecova Disability services • research • enterprise can find a happy home for your old digital camera. By donating your camera (in working order) and any unwanted accessories, you will give adults with disabilities the opportunity to sign up for our popular photography program. Participants learn the basics of digital photography and are often delighted at the new and different ways they can see the world. Your generous donation will help make the Vecova photography program possible. Thanks!

About Vecova

Vecova Disability services • research • enterprise is an accredited, not-for-profit registered charity. Operating since 1969 we are an affiliate research institute of the University of Calgary and a leader in the disability field. Our mission is to build the capacity of persons with disabilities and enrich communities through leadership, innovation and collaboration.

Why Kerrisdale Cameras is supporting Vecova: We support the valuable work that is being done by this organization to better the lives of people with disabilities. This program has been spearheaded by a former employee of our North Vancouver store.

How to donate: Drop off your camera to any of our stores with a note indicating '*Donation to Vecova, c/o KCL North Van*'. Our North Vancouver Manager will ensure that your camera is donated to Vecova.

Thank you!
